Homework 4, Report of Practical Part

Javad Razi - 401204354

The Report

First Two Notebooks

There is a markdown cell at the bottom, which analyze and interprets the results in a comprehensive manner. I do not know whether or not a report is necessary, but if it is, please count the last markdown cell of each notebook as “Report” or “Discussion” about the task and results.

Notebook 3 and 4

These were half finished. But specific questions were answered in the relevant parts of the notebooks.
